How to use the Rebel Simcard Micro sim cutting tool to safely cut your network simcard to make it iPhone 4G & iPad Ready

### Step 1

Take hold of the Rebel Micro Simcard Cutter and your network simcard.

rebel\_micro-sim\_cutter-step\_1

### Step 2

Slide your network sim in the Rebel Micro sim card cutting Tool

### Step 3

You can use the Rebel Micro sim Tool with 1 hand unlike other cheaper tools in the market that need 2 hands to operate and users need to possess big biceps.

Rebel Micro sim tool is designed to be used 1000's of times and built to last for years.

### Step 4

Simple 1 click to convert normal mini simcard to the micro sim in seconds

### Step 5

Insert in to your iPad or iPhone 4 and enjoy
